GOLF TOURNAMENT

presented by:

FRIDAY, AUGUST 25, 2017 CHAPPLES GOLF COURSE

SPONSORSHIP OPPORTUNITIES

Dear Friends,

Get ready to clear the dust off those golf clubs and start practicing your swing because the 13th Annual Mayor's Mulligan Golf Tournament is just a few months away. Join me on Friday, August 25th for a fun and relaxing day at beautiful Chapples Golf Course in support of Shelter House - Thunder Bay's Street Outreach Service (SOS). Supporting the Mayor's Mulligan will insure the SOS team can provide outreach, support and transportation to homeless individuals in crisis.

I am appealing to the generosity of sponsors and donors like you to make this year's tournament a success. So whether you decide to register as an individual or a team, provide sponsorship, donate a prize, or volunteer, your participation will make a difference to the SOS program.

Sincerely,

Mayor Keith Hobbs

About Shelter House

Shelter House provides basic needs, dignity and comfort to people living in poverty and stimulates action to address the root causes of homelessness.

Shelter House is the largest homeless shelter in Northwestern Ontario, originally built to sleep 42; Shelter House averages 60 overnight residents and serves 600 meals per day.

The Street Outreach Service (SOS) is a mobile service which, until recently provided outreach, support and transportation to homeless, intoxicated and high risk people in our community.

The highly skilled SOS teams have answered calls from individuals, businesses, emergency service providers and agencies. The teams have worked closely with Thunder Bay Police, Superior North EMS, Thunder Bay Regional Health Sciences Centre and Balmoral Withdrawal Management Centre to ensure prompt access to services for individuals in crisis. They provide warm blankets, food, harm reduction supplies, and sometimes just a ride to safety surrounded by staff that are friendly and compassionate.

The program costs approximately \$267,000 per year to operate and is vital and appropriate care for those facing homelessness, mental health and addictions issues.

The program was suspended April 1, 2017 due to a funding shortfall.
