Appendix A: Complete application checklist

Only complete applications will be processed. Please ensure your application submission meets all of the following criteria:

All questions on this application form are answered fully.

The authorization on page 5 is completed and signed by all registered owners (if someone other than the registered owner(s) is representing the application).

The sworn declaration on page 6 is sworn by the applicant and commissioned or you have arranged for a date and time to have it commissioned at the Planning Services office.

A cover letter is attached summarising the minor variance request and reasons for the application.

Proof of ownership is attached (i.e. copy of deed, tax bill, Land Registry transfer, PIN Parcel Abstract not older than 60 days) and, if the owner is a corporation, a Form 1 Initial Return / Notice of Change is also attached.

The required fee is paid in full.

A site sketch with all the required information described in Appendix B of this application form (following page) is attached.

A floor plan is attached showing the layout of each unit and how it functions (if applying for an additional dwelling unit(s) within an existing building).

An elevation drawing is attached showing all sides where new construction is proposed; including but not limited to height, grade, and window and door openings (if applying for an increase to maximum building height).

Appendix B: Site sketch checklist

Please ensure your site sketch provides all of the following information:

All dimensions in metric units.

North arrow, scale, and legend.

The boundaries and dimensions, including the area, of the subject land.

The location, size and type of all existing and proposed buildings and structures on the subject property, indicating their distance from each other, the front lot line, rear lot line and side lot lines.

The location, area, and dimensions of any new lots to be created, parking areas (including the dimensions of all parking spaces and aisles), landscaping, amenity areas, etc.

As applicable - fire access route, outdoor equipment and storage areas, walkways, curbing, fencing, etc.

Existing municipal infrastructure immediately adjacent to the site (roads, lanes, sidewalks, existing driveway entrances, boulevard trees, fire hydrants, hydro poles, easements etc.)

The approximate location of all natural and artificial features (e.g. buildings, railways, roads, watercourses, drainage ditches, banks of rivers or streams, wetlands, wooded areas, wells, and septic fields) that are located on the subject property and/or on an adjacent property, and in the applicant's opinion, may affect the application.

The current uses of properties adjacent to the subject property (e.g. office, dwelling, store, etc.).

The location, width and name of any roads within or abutting the subject property, indicating whether it is an unopened road allowance, a public traveled road, a private road or a right of way.

If access to the subject property will be by water only, the location of the parking and docking facilities to be used.

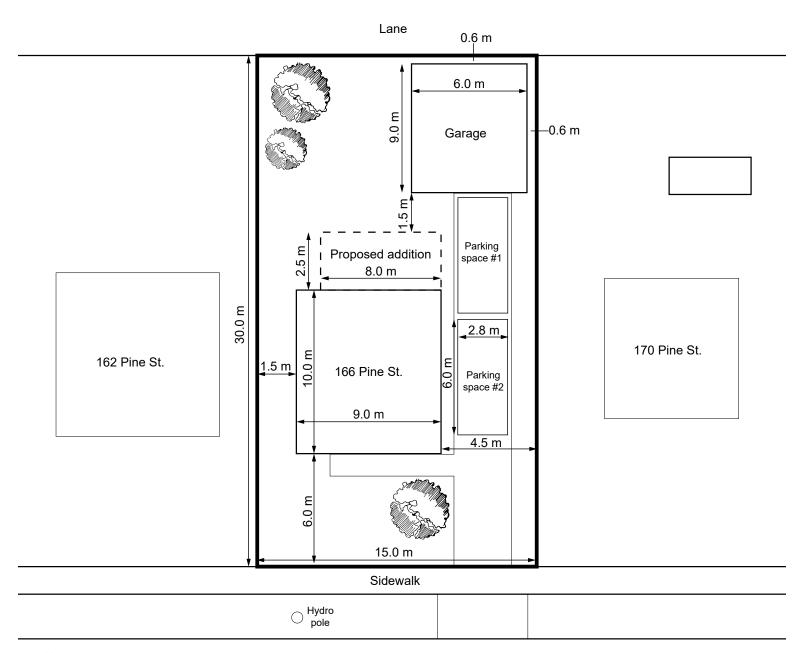

The location and nature of any easement affecting the subject property.

Any items identified during pre-consultation (e.g. location and size of openings on existing building).

Please note:

- 1. The site sketch you provide in your submission will be included in notices to the public and eventually to the Committee.
- 2. The site sketch must be legible at the scale required to fit on a letter sized paper (8.5 x 11 inches). Avoid including details that are not required (e.g. elevation points, drainage arrows, etc.) as doing so can reduce legibility at this scale.
- 3. More detailed drawings can be provided in addition to the smaller site sketch. These will assist City staff in reviewing the application.
- 4. Providing the original PDF files (not scans) is preferred for preparing the required notices and signs. Digital files can be sent via email or secure file share service.
