Policy framework

1. Planning Act

The Planning Act is provincial legislation that sets out the ground rules for land use planning in Ontario. It describes how land uses may be influenced and regulated.

Have the subject lands or lands within 120 metres ever been or currently are part of a Planning Act application i.e. a Plan of Subdivision or Condominium, Consent, Minor Variance, Amendment to the Official Plan and/or Zoning By-law, or Site Plan Approval application?

Yes

No

Don't know

If yes, please provide the following details: application type, approval authority, lands affected, the purpose of the application, the status of the application, and the effect on the proposed amendment.

2. Provincial Policy Statement

The Provincial Policy Statement is issued under the Planning Act and establishes land use policies related to matters of Provincial interest. All Planning Act applications must be consistent with the Provincial Policy Statement.

Describe how the application is consistent with the Provincial Policy Statement.

3. Growth Plan For Northern Ontario

All Planning Act applications in Northern Ontario must be consistent with or must not conflict with the Growth Plan for Northern Ontario.

Describe how the application is consistent with or does not conflict with the Growth Plan for Northern Ontario.

4. Official Plan

The Official Plan is our City's key land-use document. It sets goals, objectives, and policies which guide our land-use planning decisions. All consent applications must conform with the Official Plan.

Describe how the application conforms with the City of Thunder Bay Official Plan.

Appendix A: Complete application checklist

Only complete applications will be processed. Please ensure your application submission meets all of the following criteria:

All questions on this application form are answered fully.

The authorization on page 5 is completed and signed (if someone other than the registered owner(s) is representing the application).

The sworn declaration on page 6 is commissioned or you have arranged for a date and time to have it commissioned at the Planning Services Division.

Proof of ownership is attached (i.e. copy of deed, tax bill, Land Registry transfer, PIN Parcel Abstract not older than 60 days) and, if the owner is a corporation, a Form 1 Initial Return / Notice of Change is also attached.

The required fee is paid in full.

A site sketch with all the required information described in Appendix B of this application form (following page) is attached.

A floor plan is attached showing the layout of each unit and how it functions (if applying for an additional dwelling unit(s) within an existing building).

An elevation drawing is attached showing all sides where new construction is proposed; including but not limited to height, grade, and window and door openings (if applying for an increase to maximum building height).

Appendix B: Site sketch checklist

Please ensure your site sketch provides all of the following information:

All dimensions in metric units.

North arrow, scale, and legend.

The boundaries and dimensions, including the area, of the subject land.

The location, size and type of all existing and proposed buildings and structures on the subject property, indicating their distance from each other, the front lot line, rear lot line and side lot lines.

The location, area, and dimensions of any new lots to be created, parking areas (including the dimensions of all parking spaces and aisles), landscaping, amenity areas, etc.

As applicable - fire access route, outdoor equipment and storage areas, walkways, curbing, fencing, etc.

Existing municipal infrastructure immediately adjacent to the site (roads, lanes, sidewalks, existing driveway entrances, boulevard trees, fire hydrants, hydro poles, easements etc.)

The approximate location of all natural and artificial features (e.g. buildings, railways, roads, watercourses, drainage ditches, banks of rivers or streams, wetlands, wooded areas, wells, and septic fields) that are located on the subject property and/or on an adjacent property, and in the applicant's opinion, may affect the application.

The current uses of properties adjacent to the subject property (e.g. office, dwelling, store, etc.).

The location, width and name of any roads within or abutting the subject property, indicating whether it is an unopened road allowance, a public traveled road, a private road or a right of way.

If access to the subject property will be by water only, the location of the parking and docking facilities to be used.

The location and nature of any easement affecting the subject property.

Any items identified during pre-consultation (e.g. location and size of openings on existing building).

Please note:

1. The site sketch you provide in your submission will be included in notices to the public and eventually to the Committee.
2. The site sketch must be legible at the scale required to fit on a letter sized paper (8.5 x 11 inches). Avoid including details that are not required (e.g. elevation points, drainage arrows, etc.) as doing so can reduce legibility at this scale.
3. More detailed drawings can be provided in addition to the smaller site sketch. These will assist City staff in reviewing the application.
4. Providing the original PDF files (not scans) is preferred for preparing the required notices and signs. Digital files can be sent via email or secure file share service.
