

**2025 CLEAN, GREEN & BEAUTIFUL
EMERGING PROJECT GRANT FINAL REPORT**

Final Project Report: Applicants who receive funding are required to provide the Clean, Green & Beautiful Committee with a 250-word article that outlines the project description, outcome/benefits to the community, people/partners involved, and a quote from the appropriate project representative. This may be published at the discretion of the City of Thunder Bay to promote and celebrate Clean, Green, & Beautiful initiatives. The Project Report must also include before, during and after high-resolution photos of the project/site and/or the funded initiative “in action”.

The Final Project Report is required to be submitted electronically to CGB@thunderbay.ca by November 1, 2025 (if you require an extension, you must request one month in advance)

Project Recipient Name:
Please provide a 250-word article that outlines the project description, outcome/benefits to the community, people/partners involved, and a quote from the appropriate project representative:

- Before, during and after high-resolution electronic photos attached (total 3 minimum); signed photo release form provided for each individual in photos
