Application for Refreshment Vehicle License

Applicant must submit the following information along with their Application Form:

Copy of required Provincial license(s) applicable to the vehicle type.

Propane Fitter's Certificate certified within the current year for vehicle(s) fueled by propane.

NOTE: Owners/Applicants of Refreshment Vehicles must provide proof of propane inspection when attending to Fire Services for your Inspection. Bring your Refreshment Vehicle to Fire Services Headquarters to have your Vehicle inspected.

For vehicles over 180kg, a Safety Standards Certificate from either a Class "A" or Class "B" mechanic in Ontario (dated not more than 36 days prior to issuing License).

Original or certified copy of current valid insurance policy/certificate to include the following:

- i) description of coverage, policy number, effective date, expiry date, limits of liability and details of vehicle covered.
- ii) Insurance amount not less than \$2,000,000.00, exclusive of interest;
- iii) Loss or damage from illness, injury or death of one or more persons from any omission;
- iv) Loss or damage from bodily injury or death of one or more persons from an accident;
- v) No right to cancel insurance without 15 days notice to Manager of the cancellation.

Is the Business a Charitable or Not-for-Profit Organization? Yes or No

DISCLAIMER

The undersigned acknowledges that the issuance of a License is not confirmation that the licensed person, premises or operation conforms with any City By-law and that the City of Thunder Bay reserves its rights to enforce any such By-law notwithstanding the issuance of this License and its right to revoke, suspend or add conditions to this License for any reason, including without limitation, such violations. It shall be the sole responsibility of the undersigned to ensure compliance with such By-laws and the City of Thunder Bay shall have no liability in respect of or arising out of any violation thereof or any steps taken with respect to this License therefore.

Application for Refreshment Vehicle License

NOTE TO INSPECTION AGENCIES:

Please be advised that the Licensing & Enforcement Division will accept an inspection having been performed, notably the most recent, within a year of this Application. Depending on the situation, you can deny or allow for a license with conditions. Please check your records for any outstanding orders, deficiencies, etc., as you may wish to impose special conditions on the license.
