

Series 138 - Fort William Indexes to Lot Owners & Interments -Mountain View Cemetery

Fort William Fonds

[1902?]-1966

30 cm. of textual records.

Mountain View Cemetery is one of two municipally owned and operated cemeteries within The City of Thunder Bay. Previously under the jurisdiction of the City of Fort William, the ongoing maintenance of the Cemetery was overseen by the Board of Park Management, while the sale and transfer of lots at Mountain View Cemetery was overseen by the Office of the City Treasurer.

Mountain View Cemetery is now under the control of The City of Thunder Bay's Parks and Recreation Division.

Series consists of indexes detailing interments at Mountain View Cemetery. Some ledgers within the series are arranged alphabetically and list the page and placement on the page for each registered interment. Some ledgers within this series contain additional information about persons interred at the cemetery and may be subject to access restrictions. Additional information about people interred at the cemetery includes: the place of birth, date of death, cause of death, next of kin, social state, lot fee and late residence.

Records are arranged in chronological order.
