

**Series 147 - Port Arthur Water and Sewer Installations Port Arthur Fonds**

---

1911-1969

10 m., 88 cm. of textual records

---

Prior to the establishment of this series in 1911, Applications and Records for House Sewer Connections and Applications and Records for Water Works Service were two separate series (See Series 145 and 146 respectively). This series includes both types of applications, together with reports of the storekeeper, foreman and inspector and the particulars of cost.

The records are arranged numerically by application number.

A

Further accruals are not anticipated.

Other records relating to this series may be found in Series 145 Applications & Records of House Sewer Connections, Series 146 Applications & Records of Water Works Service and Series 178 Street Service Records.
