

1953 - 1960

8 m., 88 cm. of textual records

---

The registrar was required to maintain "a proper register book" containing full and complete copies of all memorials and other registered instruments, including deposits filed in pursuance of "The Custody of Documents Act."

The Custody of Documents records consist of negative photocopies of various instruments for the former City of Fort William and various townships.

Post Binders

The arrangement is numerical by instrument number within the municipality.
