

1878-1964

13 cm.

---

This series consists of Debenture Registers that were created in accordance with the provisions of the Registry Act. The first volume contains copies of municipal debentures. The second volume contains lists of municipal debenture by-laws which provide various types of information including the Registration number, the Municipal By-law number, the Amount of Debt., the Term of the Debenture, the Interest Rate, and the No. of years covered by the debenture, whether the rate was to be levied in whole or in part and remarks.

Transferred from the Provincial Government to the City Archives and Records Centre.

Bound Volumes
