

1948-1956

21.5 cm.

---

After 1868, wills powers of attorney, probates, grants of administration, certificates of registration and various other documents previously included in miscellaneous series were filed together in the General Registers. These particular General Registers consist of negative photocopies of a variety of documentation relating to land transactions.

These Registers appear to include documentation dealing primarily with the former City of Fort William.

Transferred from the Provincial Government to the City Archives and Records Centre.

Post Binders

A

These General Registers cover the period from 1948 to 1956
