32 cm. of textual records

The Forest Capital Development Association, also known as the FCDA, was a completely volunteer based not-for-profit organization. The FCDA was incorporated in July 1998, and in the year 2000, followed the progress of Northwestern Ontario as the selection of Forest Capital of Canada, by a program created in 1979 by the Canadian Forestry Association.

The purpose of the FCDA was to plan and carry out different activities and events which celebrated the title of Forest Capital of Canada. The organization was also responsible for developing and implementing legacy projects which were to have a positive long term effect on the economic and tourism aspects of Northwestern Ontario.

This series includes information on eighteen different projects which involved the FCDA: Forest Sustainability and Beyond 2000, "Sounds of the Forest" Concert, Thunder Bay Children's Festival, "Let's Root for Canada" Program, Sister Cities Millennium Festival, Forestry Tableau, Planting of 2000 Trees Legacy Project, Lumber Camp Life Millennial Legacy Project, "Growing Towards Excellence" Slideshow & Notes, Boulevard Lake (Current River) Water Management Plan, Current River Greenway, Current River Watershed, Boulevard Dam Walkway Project, Boulevard Lake Walkway Extension & Causeway Project, Boulevard Lake Firefighters Memorial Park, Birch Point Park, Kingfisher Lake Outdoor Education Centre, and Centennial Park Logging Camp & Museum. These eighteen projects include information such as committee meeting minutes, financial documents, advertisements and media releases, business cards, contracts, reports, itineraries, correspondence, legacy initiatives, invitations, programs, online articles, etc.

These records were donated to the archives directly by the Forest Capital Development Association in 2010.

Typescripts, handwritten documents, binder, bound documents, brochures.
