

1978 - 1982

90 cm. of textual records

---

Series consists of meeting minutes, meeting agendas and other records relating to the organization of the Jeux Canada Games 1981. The series primarily consists of the records of the executive branch of the host society including meeting minutes of the executive committee, management committee and the Board of Directors. Also included are the meeting minutes and other records from various affiliated organizations and associations which involved executive members of Jeux Canada Games 1981. The minutes provide an overview of the primary concerns of the executive branch of the host society including the construction of the Canada Games Complex, updates on the financial position of the host society, policies and procedures and discussions regarding the future use of recreational facilities in the City of Thunder Bay.
