

[192-] - [197-]

11 photographs, 2 artifacts, 3 publications

---

Series consists of photographs of John Oliver Booth with various government representatives visiting the former City of Fort William. Other photographs show events and activities taking place in unknown locations. Also included in this series is an honorary fire chief hat and a plaque awarded to Booth for his service to the City of Fort William. Publications in this series include copies of the City of Fort William Municipal Code and a brochure relating to the history of the City of Fort William.

Private donation made to the Archives on October 12, 2011.
