The Sister Cities Advisory Committee's mandate is to develop, implement and coordinate the Thunder Bay Municipal Twinning Program. The program aims to promote cross-cultural understanding, municipal and technical cooperation and economic development opportunities. Officially formed in December 2006, the Committee reports to City Council through the Office of the City Clerk.

Series consists of photographs and related documentation regarding the Sister Cities Millenium Festival, held in the summer of 2000, and a photographic inventory of artifacts donated by Thunder Bay's Sister Cities. Also included in this series are gifts donated by delegates of the cities who participated in the Sister Cities program.

A

A File Inventory is available for this series. Artifacts have also been catalogued into the database.

Further accruals are expected.
