

1989-2000

62 cm of textual records and graphical material

Corporate Communications develops and implements communication strategies consistent with the corporate vision, corporate identity and the role of municipal government.

The series consists of textual records relating to three major subdivisions: City Voice Newsletter Publications, Internal Correspondence and Committee Minutes, and Newspaper clippings that affect City employees.

The records were transferred to the City Archives from the Corporate Communications department. The series was accessioned in 2005.

1995-1996, predominant

One VHS Cassette is enclosed.
