Thunder Bay Community Projects Inc. (TBCPI) was incorporated on June 4, 1973. The organization's object was to "develop, construct, purchase, improve, hold and manage a low rental housing project or projects; to purchase existing buildings and lands upon which they are situated and to convert them into a low rental housing project or projects; and to convert existing buildings in a low rental housing project or projects to supply accommodation to individuals and families of low income" (incorporation patent amendment, Nov 7, 1977). TBCPI eventually constructed and administered the Harbour View housing project.

The series consists of Board of Director's Meeting Minutes and Agendas; Committee Meeting Minutes; files of past board members' annotated meeting minutes and correspondence; and organizational by-laws and founding documents. There is also a file of Ontario Housing Corporation reports, 1997-1998.

Held by Thunder Bay District Social Services Board under series SS102
