

1914-1952

1 m., 10 cm. textual records (24 v.)

This series is a chronological record of all payments made by the various Standing Committees of Council and provides a potentially useful compliment to the Expenditure records in series 12. The various Standing Committees of Council and their duties were established under By-law #709, 1909.

The series consists of 24 bound volumes of Payment Books of the Committee operations showing the name of the company/person and the service/goods that were received with all the particulars. Date, name to whom payment was made, particulars of the payment, Cheque No., Volume No. and amount are the headings that were included in these Payment Records of all the Committees. As well, the accounts for disbursement include the Standing Committees and Hydro Electric, Water Operation, Telephone Operation, Street Railway Operation, Interest accounts, City Stores, Permanent Plant Maintenance, Local Improvements, General Engineering, Sewer Connections, Sanitary Connections, Street Railway Construction, Water Works Construction and Telephone Construction.
