Deeds for the City of Fort William were managed by the City Treasurer. The City Treasurer would inform individuals who had deeds in arrears by delivering these notices to the property owner.

This series consists of notices of costs of deed that were completed by the City Treasurer. The date and individual's name was written at the top of the notice. A short statement, quoting the lot number(s), informs the individual of the deed in arrears. Below the statement includes a listing of additional costs: purchase price, sheriff's fees, registrar's fees, seraches, postage, and the cost of the notice and the deed. The total cost to be paid is listed at the bottom of the notice.

Handwritten, Typescript

A

No further accruals are expected.
