

1950-1968

1 m., 50 cm. of textual records

This series consists of contracts between the City of Fort William and private companies and individuals pertaining to a variety of matters including sanitary installations, renovations to City buildings, sewer installations, paving, use of equipment and the supplying of clothing and overshoes for the Police and Fire Departments. The various items were usually called to tender and the contracts are between the City and the successful tender, who were usually recommended by Committee and adopted by Council. Some correspondence is included with the contracts.

Records were created by the former City of Fort William and most likely were retained by the Office of the City Clerk.
