

1949-2002

2.3 m. of graphical material.

---

Series consists of aerial photographs of the City of Thunder Bay. Included are aerial views of the former City of Fort William from 1949, 1955, 1959, 1962, 1968 and 1969; aerial views of the former City of Port Arthur from 1959 and 1969; and aerial views of the amalgamated City of Thunder Bay from 1974, 1976, 1981, 1983, 1987, 1991, 1996 and 2002.

Also included in this series are aerial photographs of the Port Arthur urban renewal area from 1968.

Aerial photographs are arranged chronologically and are divided into sections based on the areas of the City they refer to.

Some photographs have been digitized and are available at the City of Thunder Bay Archives.

A

A File Inventory is available for this series. Included are maps for each year of photographs to aid in identification.

Further accruals expected.
