Subject: september 8/subject arena allocation

Dear sir or madam,

i wish to speak to council regarding arena allocation.

my main concern is that seniors are noted noted in the paper.

i assume we want to keep our seniors as active as can be(reduces health care costs,etc.)in golf we have a special called super seniors, this encourages golf course usage during the day

Basically this is what i want to address.

This should be applied to other activities offered by our city, without reminders but that issue is for aNOTHER DAY.

SINCERELY,

EDWARD SCHEIBLER
