Subject: Speak before Council - April 25 - Conversion Therapy Report

Hi Flo-Ann

I am not sure if there is a glitch on the form to speak before council. But here is my email request just in case

Rainbow Collective members, Jessy Bogacki and Dr. Kris Wells along with Me would like to speak to the Conversion Therapy Report and have a short powerpoint to speak to some point in the report we disagree with and offer recommendations for council's consideration to move forward with a bylaw.

My number is 807-358-3007

Let me know if you need anything more.

Talk soon,
Jason
