SUBJECT: Endorsement of Bid for 2022 World Taijiquan Championships

At the September 9, 2019 Committee of the Whole meeting, members of the planning committee made a deputation with respect to a bid for the World Taijiquan Championships in 2022.

In response to their request for an endorsement from City Council, I offer this motion for Council’s consideration.

With Respect to the bid for the City of Thunder Bay to host the 2022 World Taijiquan Championships, we recommend that a letter of endorsement for the bid be approved on behalf of the Mayor and Council;

AND THAT any necessary by-laws be presented to City Council for ratification.

Ms. Krista Power,  
City Clerk  
City of Thunder Bay  
500 Donald St., E.  
Thunder Bay, ON P7E 5V3

Dear Ms. Power:

I am writing on behalf of the Thunder Bay Public Library Board, to request a deputation and project endorsement from City Council. The Library Board and Administration has an opportunity to apply for funding under the Investing in Canada Infrastructure Program (ICIP). This is a cost-shared infrastructure funding program between the federal government, provinces and territories, and ultimate recipients.

This program will see more than $30 billion in combined federal, provincial and other partner funding, under four priority areas, including Rural and Northern infrastructure. This stream will support projects that improve the quality of life in rural and northern communities by responding to specific needs such as accessibility. The Library has a renewal program for the Waverley Library, which Council is already aware, that qualifies for funding under this program.

The date that we are proposing for the deputation and endorsement from City Council, which is required under this funding program, is Monday, October 7, 2019. We apologize for the short notice in making this request, but the grant deadline is early November.

Please contact me at 684-6813 if you have any questions or require any additional information. You may also reach me by e-mail at tmaronese@tbpl.ca

Thank you for your consideration of this request.

Yours sincerely,

Tina Maronese, Director of Communities

SUBJECT: AMO-Ontario Federation of Indigenous Friendship Centre’s Working Group Board Appointment
Committee of the Whole – April 30, 2018

I have been asked by AMO to represent the City of Thunder Bay on an AMO-Ontario Federation of Indigenous Friendship Centre’s Working Group. The Working Group is being put together to create a ‘Friendship Declaration’ to be signed by the AMO president and the OFIFC president at next year’s 2020 AMO Conference.

The main focus of the group would be to help develop the text of the document in partnership with Ontario’s Friendship Centre Movement. Another goal is to use the declaration as a template so that local councils and friendship centers can sign their own declarations in their respective communities in the future, if desired.

In terms of time commitment, the Working Group will be active during the fall and winter over 3-4 meetings and we will leverage teleconferencing where possible. The inaugural meeting will take place in Toronto on October 28, 2019.

I respectfully ask for your support for the following motion that will be presented at the October 7, 2019 Committee of the Whole meeting for consideration.

“With respect to participation on the AMO-Ontario Federation of Indigenous Friendship Centre’s Working Group, we recommend that Councillor Kristen Oliver be appointed to represent the City of Thunder Bay;

AND THAT any necessary by-laws be presented to City Council for ratification”
TO: Ms. Krista Power, City Clerk
FROM: Mayor Bill Mauro, Chair – Special Purpose Committee – Multi Use Indoor Sports Facility
DATE: October 3, 2019
SUBJECT: Recommendation from Multi Use Indoor Sports Facility Committee - Tennis Committee of the Whole – October 7, 2019

The Multi Use Indoor Sports Facility Committee has been meeting on a regular basis to receive information from Administration relative to the development of a proposed Multi-Use Indoor Sports Facility, potential inclusions for sports/activities, operating models and data related to user groups. One of the focuses of the meetings has been with respect to the inclusion of tennis courts in the design of the Multi Use Indoor Sports Facility.

At the October 2, 2019 Special Purpose Committee – Multi Use Indoor Sports Facility meeting a resolution passed that is time sensitive in nature. It was the direction of the Committee that the path forward should exclude the inclusion of tennis courts in the development of construction documents at this time and an alternate solution that provides for the needs of indoor tennis should be contemplated. In making this decision the Committee recognized that this decision will be required to be made in advance of any application to the Investing in Canada Infrastructure Program – Community, Recreation and Culture Stream which has a deadline of November 12, 2019.

This direction approved by the committee and now presented for City Council’s consideration would meet the interim needs for tennis in Thunder Bay and would save approximately $600,000 in engineering and design documents that may not be required if tennis is excluded from the facility prior to design. It was the goal of the committee to provide a meaningful solution that saves tax payers dollars and provides direction moving forward. This direction provides for a partnership with the Thunder Bay Community Tennis Centre that would see up to 1.5 million dollars of funding to complete work associated with an air supported structure and associate upgrades to the facility. These dollars would not fund the project in completion but would provide a significant impact to the overall completion of this project.

If it this direction does not meet with the approval of Committee of the Whole it is the request of the Multi Use Indoor Sports Facility Committee that alternate direction be provided with respect to the inclusion of tennis in the engineering and design documents or that this matter be referred back to the Multi Use Indoor Sports Facility Committee for further recommendations. It is important to note that timelines are critical if an application to the Investing in Canada Infrastructure Program – Community, Recreation and Culture Stream is to be achieved.
As such the following motion is provided for City Council’s consideration:

With respect to the inclusion of tennis in the Multi Use Indoor Sports Facility, we recommend that tennis be excluded in the development of the construction documents associated with this project;

AND THAT the potential of up to 1.5 million dollars be provided to the Thunder Bay Community Tennis Centre to work in partnership with the City of Thunder Bay on the creation of an air supported structure at Chapples Park;

AND THAT the City’s financial support be subject to confirmation of total project funding, due diligence review of the business plan, and future budget approval by Council;

AND THAT any agreements between the partners be created in form and content satisfactory to the City Solicitor and the City Treasurer;

AND THAT the Mayor and City Clerk be authorized to sign any agreements relative to this project;

AND THAT any necessary by-laws be presented to City Council for ratification.
