

Application for Lift+ Specialized Transit Service

Operated by:
Transit Services Division
Community Services Department - City of Thunder Bay

Service & Application Overview

Lift+ Specialized Transit Service is a door-to-door, shared ride which might be for residents who are, due to a disability, unable to use the City's accessible, conventional bus service (Thunder Bay Transit) for all or part of a trip. Lift+ provides the same hours of operation and fares as Thunder Bay Transit; however, rides must be booked in advance.

This application is intended to provide Lift+ Administration with detailed information regarding your transportation needs as well as your ability/inability to use Thunder Bay Transit. Lift+ is not for those who find it more difficult or who are reluctant or unwilling to use Thunder Bay Transit. If necessary, include additional sheets if necessary to provide more information.

This application is to be completed by the applicant with assistance if needed. **Complete all questions.** Incomplete or illegible applications will not be processed and will be returned to you for completion. The completion of this application does not guarantee eligibility.

You **are not** required to take this form to a health care provider.

Most individuals are required to attend an individualized Transit Skills Assessment. This Transit Skills Assessment is to review one or more of the following when applicable:

- Eligibility for service;
- The ability to safely travel independently; or
- To ensure that your mobility equipment can be safely secured and meets the Lift+ requirements for transportation.

The assessment is completed by an independent advisor. There is no charge for this assessment, including transportation to and from Transit Services.

This application may take up to 14 days to process. If a decision has not been made within the 14 day period, you may be given temporary eligibility until that decision has been reached.

If a registrant does not use Lift+ during a consecutive 12 month period, they will be deemed an inactive registrant and will have to re-apply for the service.

Eligibility for Service

Eligibility will be assessed based on the information provided on this application form and any interview and/or assessment results.

- Eligibility is approved on a case by case basis.
- Eligibility is not based on a particular disability.
- Eligibility is not based on age or income.
- Eligibility is not based on the lack of availability of Thunder Bay Transit in the area in which the person resides.

Eligibility for Lift+ falls under one of these categories:

1. Unconditional
 2. Temporary
 3. Conditional
- A registrant's eligibility will be reviewed a minimum of every three (3) years.
 - Should you disagree with the decision regarding your eligibility determination, an appeals process is available.

9. Does your home have steps outside, at the pickup entrance?

Yes How Many? _____ No

Lift+ Operators will assist the registrant up/down 3 steps without risking their personal safety.

Registrants may have someone accompany them on their trip with Lift+. In some instances, that person may be required for all trips and in other instances it may be on a trip-by-trip basis. Read the definitions below to determine what your accompaniment needs are.

Support Person

Some registrants of Lift+ may require a support person ***while traveling*** for communication, mobility, personal care, medical needs, or with access to goods, services or facilities. A support person should be in place if the registrant is unable to travel alone during the trip. Lift+ Operators provide door-to-door assistance.

Subject to approval, a medical professional must confirm the need for a support person. An application for support person is available online or on request. The registrant **must always** be accompanied by his/her support person while traveling with Lift+ or the trip will be cancelled. The support person will ride free of charge.

Hand to Hand Attendant

Some registrants of Lift+ may be able to travel alone; however, may require an attendant to meet them at their destination. Without the hand-to-hand attendant present, a Lift+ Operator is unable to leave the registrant at his/her destination and may have to return him/her to his/her pick-up location. The registrant is responsible for ensuring there is an attendant available at the destination if required.

Companion

All registrants may have a person occasionally travel with them on Lift+. A registrant must indicate at the time of booking a trip if a companion will be traveling. Companion travel may be restricted based on availability. All companions must pay the relevant fare.

What is your accompaniment requirement?
