

Beaded Wind Chimes

A SIMPLE CRAFT TO HANG OUTSIDE

Supplies:

- 6 popsicle sticks
- Glue (or tape)
- Fishing Line, string, etc.
- Assorted beads
- Scissors

Material swap! If you don't have Popsicle sticks or beads, no worries! Switch it up with some help from nature using twigs, and by tying small pebbles!

Instructions:

1. Start by gluing the sticks into two triangles. Place them on top of each other to form a star shape and glue!
2. Cut 3 strands of string & start beading the string.
3. Thread the 3 strands through each hole on the star.
4. To finish: cut an extra strand of string to tie to the middle, and tie a loop at the end to hook onto to anything for perfect hanging at home!
5. Enjoy!
