

all you need is a deck of cards..

CLOSE CALL!

1. Deal 4 cards to each player.
2. **Each player determines how to arrange them so they make two two-digit numbers that add up close to 100 without going over!**
3. The player with the closest number to 100 keeps all the cards.
4. **Repeat until the deck is finished or shuffle them up and keep going if you like!**
