LEARN TO PLAY THIS FUN & CLASSIC GAME! ALL YOU NEED IS THE GROUND, CHALK (OR TAPE), AND A ROCK/PEBBLE FOR A MARKER!

4. At the pairs (4-5 and 7-8), jump with both feet. 5. At 10, turn around, and head back toward the start.

6. When you reach the marked square again, pick up the marker - still on one foot - and complete the course!

7. If you finished without any mistakes, pass the marker to the next player. On your next turn, throw the marker to the next number.

8. If you fall, jump outside the lines, or miss a square or the marker, you lose your turn and must repeat the same number on your next turn. Whoever reaches 10 first, wins.

1. Draw a traditional hopscotch diagram like the one to the right below.

2. Throw a small marker into the first square. (If it lands on a line, or outside the square, you lose your turn OR start again).

3. Hop on one foot into the first empty square, and then every subsequent empty square. Be sure to skip the one your marker is on.
